

Cancer Support Programme

Social, emotional and practical support to improve the health and well-being of adults affected by cancer in Staffordshire

Beth Johnson Foundation, 64 Princes Road, Hartshill, Stoke on Trent, Staffs. ST4 7JL

CaSP - a community, social prescribing based team of trained Link Workers who support clients to:

- identify issues and assess distress levels
- address social, emotional and practical issues by:
 - signposting to statutory and voluntary services and support
 - connecting clients to a range of local voluntary, community and social enterprise groups.

thus improving health and well-being by lowering the distress levels

Link Workers and volunteers provide person-centred support by:
